

There is something to be said about repeating history !!

The Creepy \$20 bill

History Mystery

Have a history teacher explain this-----if they can.

- Abraham Lincoln was elected to Congress in 1846.
John F. Kennedy was elected to Congress in 1946.
- Abraham Lincoln was elected President in 1860.
John F. Kennedy was elected President in 1960.
- Both were particularly concerned with civil rights.
- Both wives lost their children while living in the White House.
- Both Presidents were shot on a Friday.
- Both Presidents were shot in the head.

Now it gets really weird.

- Lincoln's secretary was named Kennedy..
Kennedy's Secretary was named Lincoln.
- Both were assassinated by Southerners.
- Both were succeeded by Southerners named Johnson.
- Andrew Johnson, who succeeded Lincoln, was born in 1808.
Lyndon Johnson, who succeeded Kennedy, was born in 1908.

- John Wilkes Booth, who assassinated Lincoln, was born in 1839.
Lee Harvey Oswald, who assassinated Kennedy, was born in 1939.
- Both assassins were known by their three names.
Both names are composed of fifteen letters.

Now hang on to your seat.

- Lincoln was shot at the theatre named 'Ford'.
Kennedy was shot in a car called 'Lincoln' made by 'Ford'.
- Lincoln was shot in a theatre and his assassin ran and hid in a warehouse.
Kennedy was shot from a warehouse and his assassin ran and hid in a theatre.
- Booth and Oswald were assassinated before their trials.

WHO FIGURED THIS OUT?

INCREDIBLE

1) Fold a NEW \$20 bill in half...

2) Fold again, taking care to fold it exactly as below...

3) Fold the other end, exactly as before...

4) Now, simply turn it over...

What a coincidence! A simple geometric fold creates a catastrophic premonition printed on all \$20 bills!!!

COINCIDENCE? YOU DECIDE!

As if that wasn't enough...

Here is what you've seen...

Firstly the Pentagon on fire....

Then the Twin Towers....

And now..Look at this!

TRIPLE COINCIDENCE ON A SIMPLE \$20 BILL

Disaster (Pentagon)

Disaster (Twin Towers)

Disaster (Osama)???

It gets even better $9 + 11 = \$20!$

Creepy huh? Send this to as many people as you can, because:

Hey, this is one history lesson most people probably will not mind reading!
